Work experience

Website Developer – Jr Dev

Zitsol, Oct 2023 - Present

Joined Zitsol, Chakwal, Pakistan, as a Junior Website Developer, where I have embraced the world of WordPress. With hands-on experience, I efficiently translate concepts into fully functional websites. Committed to continuous learning, I thrive in the dynamic field of website development.

Website Developer – Intern

Zitsol, Jul 2023 - Oct 2023

I specialized in WordPress and Elementor, revamping websites and crafting interactive dashboards. This contributed to improved user engagement and conversion rates.

Education

Faculty Of Arts

BISE Rawalpindi, Jul 2020 - Jul 2021

Engaged in diverse activities at Rawalpindi Board, including English debates, Urdu poetry, and community outreach. Received awards for contributions, developing skills in language, leadership, and community engagement.
